Subject: Final Day of RDA VP22 - Reminders

Dear VP22 Session Chairs,

The end of the RDA VP22 is rapidly approaching. We would like to bring your attention to a couple of reminders:

- **TAB meets WG/IG Chairs Session on Thursday, 23 May 20:00 UTC**
 - Please join a session organised by TAB dedicated to the RDA groups. TAB will provide updates on its activities, seek feedback on the interaction between TAB and WG/IG co-chairs, as well as on facilitation between WG/IG groups.
- **Post-VP22 report**
 - The Technical Advisory Board (TAB) will produce a written report summarising key messages from the VP22 groups sessions, pathways, and future activities in a downloadable format for the community. This will replace the post-plenary webinar that was held following the past three plenaries. More details can be found in collaborative notes. We kindly ask you to fill out requested fields in your collaborative note by **7th June**. The notes can be found on the top of your VP22 web session submission page and accessed via the [VP22 programme](#)
- **Session presentations**
 - Many attendees would like to view session presentation slides. It is strongly advised to include a link to your presentation slides in your session's collaborative notes (linked from your [web session submission page](#)). Thank you to those who have already done that.

Lastly, please join us at the closing session today at 16:30 UTC via [Whova](#)!!

Kind regards,
Irina Hope
